

Your Successful Practice

Are you ready?!

This four and a half hour class will prepare you for *go time* once you have passed your exam and have earned that important piece of paper allowing you to practice.

While you are developing skills to become an amazing practitioner, you will also need to learn the *business side* of practicing in order to become successful.

I wrote a great handout that outlines all of the steps you can take *now* while you are still in school. Trust me on this one, if you put some work into this now, it will help you tremendously once you are ready to practice.

Because the volume of material can be overwhelming, I am teaching this class in a way that allows you to sit back and just soak it in. You can bring your laptop to take notes, but I already took notes for you on the material! You leave with a file of folders with all of the forms you need to start your practice. Simply review and modify them, writing your name & clinic address and voila! You're ready to roll.

Class size is limited to ten. It's appropriate for those who are nearing the end of school or over the half-way mark. I'll be teaching this again if you can't make it this time.

You get the following:

- An audio recording of the class
- A video recording showing you how to set up & use software for insurance billing

- A handout with oodles of information, to get you prepared step by step. You'll still need to do the work, but now you know what to do and how to do it.
- Most importantly, you get all of my forms! These took me over a hundred hours to write. They are your intake forms, new patient informed consent forms, payment record forms, workers comp functional scales, and much more.
- A business plan template for networking
- The ICD-9 & 10 codes that insurance companies most frequently allow
- All of the phone number to get credentialed by insurance companies!
- A series of folders that will help you stay organized.

When: Friday February 20th, 2015

Where: Glenview District, Oakland

Time: 1:00 - 5:30pm

Cost: \$100. There is a \$30 deposit required to hold your space.
